

# SLIPPERY SALMON OLYMPICS WANTS YOU!

## One of the most unique events of Bear Paw Festival is **SLIPPERY SALMON OLYMPICS!**

Relay teams of two individuals negotiate an obstacle course while carrying a whole 'slippery salmon' in one hand and server's tray with a full glass of soda, and the empty can in the other hand. Teams are timed and penalties are assessed for drink spillage below the designated fill lines on the glasses – plus, don't lose that empty can...it must be on the tray at the finish line! Two lanes of simultaneous action, hilarious gyrations and loads of fun!

All we need is **YOUR TEAM!** There is only room for 40 teams, so sign up early ~ this event always sells out! Remember that the 2017 Bear Paw Festival Theme is "Super Bear! Saving Alaska One Bear at a Time!" so let's see those superhero costumes and team names!
